Center for Professional Development, Innovation and Research

2016 Education Program Offerings
January 2016

Dear RWJ Nurses,

Herewith is our educational offerings booklet for 2016. We are very proud of all the educational offerings that are occurring and we wanted to make sure that you have the opportunity to mark your calendars. The official flyers will be coming out closer to the date of each educational offering to help provide you with the specifics of each program. Please take note of the Center for Professional Development, Innovation and Research website and monthly calendar to keep you up to date as to any changes or additional courses.

Please note that we are a provider of contact hours and when contact hours are available you will be notified in the official flyer.

Please feel free to contact Cheryl Barber at 732-828-3000 Ext. 6676 or email cheryl.barber@rwjuh.edu (New Brunswick campus); Anna Cornacchio at 732-828-3000, Ext. 6776 or email anna.cornacchio@rwjuh.edu (New Brunswick campus), Susan Friedman at 609-584-6507 or email sfriedma@rwjuh.edu (Hamilton Campus) or your Clinical Nurse Specialist/Clinical Nurse Educator for additional information. As always we are so proud of you and we look forward to providing you with the best educational opportunities for 2016.

Sincerely,
The Center for Professional Development, Innovation and Research Department
The Nursing Division is committed to contributing toward the development of all staff in provision of safe, competent and quality patient care by presenting educational activities that enhance clinical knowledge and skills. We extend to you the invitation to continue to grow in your career, and to take full advantage of these opportunities to be an active participant in the learning process.

Robert Wood Johnson University Hospital is an approved provider of continuing nursing education by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation, P#133-4/13-16

N.J. Department of Education Professional Provider #1400

Robert Wood Johnson University Hospital at Hamilton is an approved provider of continuing nursing education by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation, P#190-10/15-18.

Approved status does not imply endorsement by Robert Wood Johnson University Hospital, NJSNA, or ANCC of any commercial products or services.

Commercial support statement for each program will be printed in final marketing material.
Parking

New Brunswick

For non-RWJUH New Brunswick employees, parking is available at various New Brunswick Parking Authority facilities (NBPA). Please visit www.njnbpa.org for details and directions.

For RWJUH New Brunswick employees, please refer to the RWJUH Parking policy on the hospital intranet for additional information.

Somerset, Campus Drive and Hamilton Campuses

Parking at the Somerset, Campus Drive, and Hamilton campus is free for all employees and all visitors.
The Most Respected Name in Nursing

New Brunswick and Somerset Employees
Register for courses in Healthstream

Benefits for registering via Healthstream

1. Easy & Convenient: Log in to Healthstream from work or home
2. Track your courses: All courses will show in “My To-Do list” as a reminder and it will show in your transcript once the course is completed

To access Healthstreams from outside of the hospital go to:

www.healthstream.com/hlc/rwjuh

Here are the steps!

1. Log in to Healthstream with your employee number and password
2. On your home page click on “Catalog” tab.
3. If you know the name of the course go to the search box and type in “2016” and the title of the course (i.e. “2016 Adult Oncology Fundamentals”) or, if you are looking for a class and do not know the name of the course go to catalog tab and under the “Categories” menu, click on “Show more” and scroll down to Program: CPDIR 2016 Educational Programs
4. Click on the Title of the course (blue hyperlink) or “info” button for more information and description of the course
5. Click on the green “Register” button and a Black box will pop up on the side to notify you that you have registered for the class
6. Click on “View Details” in the black box and you can see address and location of the course. You have the option to add it to your calendar or drop the class.
7. All elective courses you register for will appear in the “My To-Do” tab.

For Support, contact us
New Brunswick Campus; call ext. 8500 Monday thru Friday from 7am to 5pm.
Somerset Campus; call the following #s: 908 685-2200 x 2422 or 732-828-3000 x 6776 Monday thru Friday from 7am to 5pm.
2016 CPR Recertification
For Nursing Division Staff

Dates and Time Schedules:

March 29 (7:00a-1:00p)  June 6 (12:00n-5:00p)
Location: NB Auditorium  Location: NB Auditorium

September 22 (7:00a-1:00p)  December 8 (12:00n-5:00p)
Location: NB Auditorium  Location: TBD

Appointments available every 20 minutes during the above time schedules

Above dates are for those with current AND expired CPR cards

You also must bring a completion certification from the online tutorial found at www.onlineaha.org

To register for above dates: Go to Intranet >> Center for Professional Development, Innovation & Research >> CPR Schedule and Registration Link >> CPR Registration Link

PLEASE BRING A PHOTOCOPY OF YOUR ONLINE CERTIFICATION WITH YOU TO THE ABOVE CPR RECERTIFICATION CLASSES
Our RWJ AHA Training Center is now issuing “eCards” instead of traditional printed paper cards. An AHA eCard is the electronic equivalent of a printed AHA course completion card and can be presented to employers as proof of successful completion of an AHA course. They have been approved by Joint Commission and NJ Department of Health.

After completing the course requirements, you will receive an email telling you how to access your ecard online. You will also receive the website that will allow online verification of your card.

If you have any questions about this, please call the Training Center Coordinator’s office at 908-685-2970.

</table>

All participants must be registered to attend any of these classes. To register, go to the Intranet and click on The Center for Professional Development, Innovation and Research, then click on Course Registrations. For questions, call or email Cheryl Barber—CPDIR – Nursing Education (Ext. 8500 or cheryl.barber@rwjuh.edu), or Anna Cornacchio—CPDIR – Nursing Education (Ext. 2422 in Somerset or Anna.cornacchio@rwjuh.edu) for information. All non-RWJUH participants must call or email Cheryl Barber and they will be charged a fee of $50.00 for the NRP Recertification classes. For Instructor Course, employee fee is $5.00; RWJ Health Network & Consortium fee is $35.00; All Others fee is $75.00.

All NRP recertification classes will require participants to complete the online test lessons 1-9.

** Instructor course requires training with a purchased CD Rom and valid Hospital based provider certification.
A certification review will be held on the dates noted below in preparation for the Maternal Newborn or the Inpatient OB examination.

The sessions will be held on the New Brunswick campus of RWJUH from 8:00am-4:30pm on each day.

Participants can opt to take both or only one day.

Participants are responsible for their own test registration. The classes are designed to provide review and test taking simulation only.

It is highly recommended that participants purchase the following book:

AWHONN's Perinatal Nursing (2013)
by Kathleen Rice Simpson RNC PhD FAAN (Editor), Pat A Creehan MSN RNC RN (Editor)

**RWJUH Employees and Student Cost:** $15.00

- NJ Consortium of Educators: $75.00
- All Others: $125.00

Contact hours will be given. Robert Wood Johnson University Hospital is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver, by the American Nurses Credentialing Center’s Commission On Accreditation. Provider Number P133-4/13-16.

Peri-Op 101 is a comprehensive online program used to educate perioperative nurses at all experience levels. Developed by expert surgical nurse-authors, Periop 101: A Core Curriculum™ is a comprehensive, online education program based on the latest, evidence-based Guidelines for Perioperative Practice. The course is to be used in conjunction with a clinical preceptorship, skills labs and other interactive learning activities for perioperative nurses guided by your OR nurse educator. This course encompasses 12 weeks of Didactic learning followed by 12 weeks of one on one preceptorship. Learning does not stop there … Once you have successfully graduated from the program you will continue in an orientation to a variety of surgical services. This investment into your future will require a three year contract with your department.

An Introduction to Peritoneal Dialysis

Friday, January 22, 2016
Session 1: 9:00am – 12:30pm
Session 2: 1:00pm – 4:30pm

Tuesday, September 13, 2016
Session 1: 8:00am – 12:00pm

This is a beginner’s course for registered nurses to care for patient’s requiring peritoneal dialysis. Completion of an online module is required prior to attending the class.

Students must complete online course prior to registering for this course. Instructions below:

1. Launch www.homebybaxter.com
2. On the top navigation bar, locate Home Therapies Institute. Click on it, and from the drop down box select TEAM PD.
3. On the TEAM PD home page you will find an option to log in or register. Once you have registered, you will be sent two emails. One contains your login, the other your temporary password. Your login will be your email address. Your temporary password can be changed once you are in the system.
4. When you are in the TEAM PD system, you will be able to go to the Learning tab and access a series of modules. Each takes approximately 15 minutes to complete. These modules provide foundational PD theory.

Hospital Auditorium (New Brunswick Campus)
The NAON Orthopaedic Nursing Review Course
May 18th 7:30-5:00 Fuld Auditorium, Somerset Campus

Provided by the National Association of Orthopaedic Nurses (NAON)
7.5 Category A Nursing Contact Hours awarded by NAON

Course Description:
This course provides a comprehensive overview of the entire spectrum of orthopaedic nursing. In one full day, you will gain the most important concepts and pearls of wisdom needed to care for a broad range of orthopaedic patients. This course provides an excellent final review for those planning to take the Orthopaedic Nurses Certification Exam or those wanting to enhance their orthopaedic knowledge base, and it is a terrific way to provide contact hours for orthopaedic nurses.

Course Objectives:
1. Describe the signs and symptoms, surgical and non-surgical interventions, and nursing plans of care for individuals with degenerative joint disease.
2. Identify nursing plans of care for the orthopaedic patients during the pre-, intra-, and post-operative periods.
3. Discuss signs and symptoms and nursing plans of care for select complications of orthopaedic injuries or surgery.
4. Create appropriate nursing plans of care (surgical and non-surgical) for patients with musculoskeletal tumors.
5. Differentiate the clinical signs and symptoms and nursing plans of care for patients with selected inflammatory disease processes.
6. Compare treatment options and nursing management of metabolic bone disorders.
7. Develop therapeutic nursing interventions for children with pediatric congenital, and neuromuscular disorders.
8. Describe common traumatic injuries and nursing plans of care for such patients.
9. Determine preventative measures for common sports injuries.

Instructor: Peggy Ann Hornberg, DNP, ANP, GNC

Date: May 18, 2016
Time: 7:30am-5:00pm
Location: Fuld Auditorium, RWJUH Somerset Campus

RWJUH Employees and Student Cost: $15.00, NJ Consortium of Educators: $75.00, All Others: $125.00

Each RWJUH employee who brings in proof of exam registration will not be charged for the course.

Breakfast and Lunch will be provided

NB and SOM campus employees, please register online in HealthStream (find class in the Catalog). HAM campus employees, please register online in NetLearn. All others please register at: https://surveymonkey.com/r/VJ879TV

For more information contact: Kathie Wilson, MSN, RN, CEN @ kathie.wilson@rwjnj.edu or Cindy Russo, MSN, RN-BC, APN @ crusso@rwjnj.edu

There is no conflict of interest on behalf of planners or presenters of this continuing nursing education (CNE) program.

Participants must be present for the entire continuing nursing education program and complete the evaluation form before receiving nursing certificates of completion.

Provider approved by the California Board of Registered Nursing. Provider #CEP3432.

The National Association of Orthopaedic Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Palliative Care Conference

Tuesday, November 29, 2016
7:30am – 2:30pm
TBD

The purpose of this program is to define both palliative and hospice care, articulate key aspects and principles of hospice care, identify key barriers to providing care, and discuss managements for these patients.

ACLS

AHA Advanced Cardiac Life Support

2016 Full Course Dates: January 21 & 22 • April 25 & 26 • July 16 & 17 • October 24 & 25

2016 Renewal Course Dates: January 29 • February 25 • March 22 • April 29 • May 17 • June 30 • July 7 • August 30 • September 27 • October 18 • November 22 • December 15

All classes are held from 8:30am to 4pm in the RWJ Hamilton Outpatient Services Auditorium.

Employees: You must bring the most current copy of the ACLS Provider Manual to class with you. Books may be picked up and borrowed from the RWJ Hamilton Center for Training and Development. We will collect your borrowed book at the end of class. If you do not return our book, you will not receive your certification card until you do. If you would rather purchase your own book, please visit one of the following three websites to order:

aha.channing-bete.com  laerdal.com  sworldpoint.com

Non-Employees: A book will be mailed to you after you pay your registration fee. This book is yours to keep.

Pre-course Requirements

☐ Registration is required. Call 609-584-5900 or go to https://secure.rwjhamilton.org/events/jcent to register.

☐ Complete an American Heart Association BLS for Healthcare Providers Course. Bring a copy of your current (un-expired) BLS card on the first day of class. If you are attending a renewal course, bring a copy of your current (un-expired) ACLS card too.

☐ Review, understand, and complete the ECG and Pharmacology Pre-course Self-Assessment on the Student Website (www.heart.org/accstudent and enter this code: compression). This pre-test must be completed prior to the class. Bring your printed score to class with you. You will not be permitted into the class without a completed pre-test. Remember this is a pre-test; your grade is not important, so don’t worry if you don’t do well.

☐ Providers who take the ACLS Provider Course must be proficient in the following: reading and interpreting ECGs, understanding ACLS drugs, and performing the BLS primary survey and the ACLS secondary survey. You will not be taught how to read or interpret ECGs in the course, nor will you be taught details about ACLS pharmacology.

☐ Understand the 10 cases in Part 5 of the ACLS Provider Manual.

☐ Fees:
  - Employees required to be ACLS certified (have a seminar request form and a check request form signed by your director and bring them to the Center for Training and Development). Employees not required to be ACLS certified ($10 for full or renewal course)
  - Non-employees ($250 for full course, $175 for renewal course)

  - Credit cards are accepted with online or phone registration. Cash, checks and money orders are accepted at the Center for Training & Development; make payable to “RWJ Hamilton” (1 Hamilton Health Place, Hamilton, NJ 08690).

ECG & Pharmacology

AHA Preparatory Course for Advanced Cardiac Life Support

2016 Course Dates: January 15 • April 11 • July 19 • October 20

All classes are held from 9am to 3:30pm in the RWJ Hamilton Outpatient Services Auditorium.

Registration is required. Non-employees call 609-631-6844 to register. Employees enroll via NetLearning.

FREE for all participants!

For healthcare providers who would like to supplement their training, this course presents information on basic electrophysiology, normal ECG measurements, basic dysrhythmias, basic ACLS drugs, usage and routes of medication administration during cardiovascular emergencies, and how to integrate basic drug pharmacology into ACLS algorithms. Recommended for pharmacists, respiratory therapists, healthcare providers taking ACLS for the first time, and nurses who would like a review of ECG and drugs used in ACLS.

You must bring the most current copy of the ECG & Pharmacology Student Workbook to class with you. Books may be picked up and borrowed from the RWJ Hamilton Center for Training and Development. We will collect your borrowed book at the end of class. If you would rather purchase your own book, please visit one of the following three websites to order:

aha.channing-bete.com  laerdal.com  eworldpoint.com

PALS

AHA Pediatric Advanced Life Support

2016 Full Course Dates: February 22 & 23 - May 23 & 24 - August 11 & 12

2016 Renewal Course Dates: January 11 - April 18 - May 12 - June 14 - August 16 - November 29

All classes are held from 8:30 am to 4 pm in the RWJ Hamilton Outpatient Services Auditorium.

Employees: You must bring the most current copy of the PALS Provider Manual to class with you. Books may be picked up and borrowed from the RWJ Hamilton Center for Training and Development. We will collect your borrowed book at the end of class. If you do not return our book, you will not receive your certification card until you do. If you would rather purchase your own book, please visit one of the following three websites to order:

aha.channing-bete.com     laerdal.com      eworldpoint.com

Non-Employees: A book will be mailed to you after you pay your registration fee. This book is yours to keep.

Pre-course Requirements

- Registration is required. Call 609-584-5500 or go to https://secure.rwhamilton.org/events/pems to register.
- Complete an American Heart Association BLS for Healthcare Providers Course. Bring a copy of your current (unexpired) BLS card on the first day of class. If you are attending a renewal course, bring a copy of your current (unexpired) PALS card too.
- Review, understand, and complete the PALS Pre-course Self-Assessment tests on PALS ECGs, Pharmacology, and Practical Applications on the Student Website (www.heart.org/ecctstudent and enter this code: paldsprovider). This pre-test must be completed prior to the class. Bring your printed score to class with you. You will not be permitted into the class without a completed pre-test.
- Providers who take the PALS Provider Course must be proficient in the following: reading and interpreting ECGs, understanding PALS drugs, understanding the systematic approach to pediatric assessment, and be prepared to perform high-quality CPR. You will not be taught how to read or interpret ECGs in the course, nor will you be taught details about PALS pharmacology.
- Understand the PALS algorithms and flowcharts for the 12 core cases in the PALS Provider Manual.

Fees:

- Employees required to be PALS certified (have a seminar request form and a check request form signed by your director and bring them to the Center for Training and Development)
- Employees not required to be ACLS certified ($10 for full or renewal course)
- Non-Employees ($250 for full course, $175 for renewal course)
- Credit cards are accepted with online or phone registration. Cash, checks, and money orders are accepted at the Center for Training & Development; make payable to “RWJ Hamilton” (1 Hamilton Health Place, Hamilton, NJ 08690).

PEARS

Pediatric Emergency Assessment, Recognition, and Stabilization

2016 Course Dates: March 11 • July 22

All classes are held from 8:30am to 4pm in the RWJ Hamilton Outpatient Services Auditorium.

In order to bridge the training gap between healthcare providers who regularly provide advanced pediatric life support and those who infrequently care for critically ill or injured children, the American Heart Association has created a new intermediate course—PEARS. This course supports healthcare providers who do not regularly provide advanced pediatric life support or are not credentialed for advanced pediatric treatment. Specifically, PEARs develops skills in recognizing certain signs and symptoms of a child in cardiopulmonary distress who needs rapid support. A good class to take on its own or as a prep class for Pediatric Advanced Life Support! Participants who complete this course will receive a certification card.

Target Audience: RNs, Patient Care Techs, Nursing Students, EMTs

Employees: You must bring the most current copy of the Pediatric Emergency Assessment, Recognition, and Stabilization Provider Manual to class with you. Books may be picked up and borrowed from the RWJ Hamilton Center for Training and Development. We will collect your borrowed book at the end of class. If you do not return our book, you will not receive your certification card until you do. If you would rather purchase your own book, please visit one of the following three websites to order:

    aha.channing-bete.com    laerdal.com    eworldpoint.com

Non-Employees: A book will be mailed to you after you pay your registration fee. This book is yours to keep.

Pre-course Requirements

You should prepare for the course by doing the following:

☐ Registration is required. Call 609-584-5900 to register.

☐ Complete an American Heart Association BLS for Healthcare Providers Course. Bring a copy of your current (un-expired) BLS card to class.

☐ Read and study the PEARs Provider Manual. Become familiar with the basic concepts of the “assess-categorize-decide-act” approach.

☐ Fees: $10 for employees, $100 for non-employees
Nonviolent Crisis Intervention

2016 Course Dates: January 8 • February 5 • March 11 • April 8 • May 6 • June 10 •
July 15 • August 5 • September 16 • October 7 • November 11 • December 9

All classes are held from 8am to 12pm in the RWJ Hamilton Outpatient Services Auditorium. Participants arriving more than 15 minutes after class starts will be asked to reschedule.

FREE for employees. $15 for non-employees, cash, check or money order (covers cost of Crisis Prevention Institute course materials). Make check or money order payable to RWJ Hamilton.

Registration is required. Non-employees call 609-584-6507 to register. Employees enroll via NetLearning.

Learn de-escalation communication! Learn escape techniques! Wear comfy clothes!

Crisis intervention is a small segment of time in which staff members must intervene with another person to address behavior that may escalate into disruptive or even violent incidents. The goal of staff is to intervene in a way that provides for the care, welfare, safety and security of all who are involved in a crisis situation. In order to accomplish this goal, staff members must ask themselves questions such as these: How do I recognize the early warning signs that a person’s behavior may escalate? How can I intervene effectively before the person’s behavior becomes dangerous? If a person does become violent, how can I control the violence while still providing care, welfare, safety and security for all involved? Contact hours are given for nurses. Participants who complete this course will receive a certification card.

All employees are invited to attend. This class is mandatory for employees with patient contact.
Critical Infrastructure Security and Resilience

**Description**

This course will introduce participants to the key terms, policy, guidance, and preparedness efforts required to safeguard the Nation’s critical infrastructure. Participants will review applicable policy and guidance, discuss the risk management framework, describe Federal critical infrastructure security and resilience and information sharing programs, and relate critical infrastructure programs to individual actions.

Primary focus will be placed on local preparedness efforts as they relate to the national approach to critical infrastructure security and resilience. An understanding of the national approach to critical infrastructure enables critical infrastructure stakeholders to address local planning within a common framework. Informed planning is consistent with and expands on nationally accepted emergency management standards as the basis for planning across mission areas of prevention, protection, mitigation, response, and recovery.

**Recommended Audience**

- Critical Infrastructure owners, operators, and managers
- Governmental officials and managers
- Sector-specific agency managers
- Other organizations and managers with critical infrastructure responsibilities

**Prerequisites**

None – but recommended courses include:

- IS – 100
- IS – 700
- AWR – 160: WMD/Terrorism Awareness for Emergency Responders

**Continuing Education Credits**

8.0 hours

**Description**

This course is designed to allow participants to enhance their skills to formulate considerations for the resiliency of jurisdictional assets leveraging cross-sector partnerships. These considerations will enhance the whole community’s ability to manage the risk associated with critical infrastructure protection efforts. The course will implement the National Preparedness Goal by facilitating the development of Resiliency Action Plans, involving all jurisdictional critical infrastructure partners. Upon completion of this course, participants will be able to increase infrastructure owner/operator participation in jurisdictional planning, organizing, equipping, training, and exercising critical infrastructure protection efforts.

**Recommended Audience**

- Critical Infrastructure owners, operators, and managers
- Governmental officials and managers
- Sector-specific agency managers
- Other organizations and managers with critical infrastructure responsibilities

Description
This course is a combination of facilitated discussions, small-group exercises, Human Patient Simulator hands-on scenarios, and traditional classroom discussion. Exercises are conducted in a CBRNE scenario using both adult and pediatric Human Patient Simulators to reinforce classroom lectures and interaction.

This course promoted critical thinking skills while utilizing the RAPID-Care concept. The multidiscipline make-up of the participants helps to strengthen information sharing, communications, and medical surge capabilities.

Recommended Audience
- Fire Services
- Law Enforcement
- Emergency Medical Services
- Hospital personnel including physicians and nurses
- Public Health Service
- Public Works
- Emergency Management organizations and personnel
- Private Industry
- Community Emergency Response Teams
- Dispatchers

Prerequisites
None – recommended classes include:
- Basic EMS Concepts for CBRNE Events (AWR111-W)
- WMD/Terrorism Awareness for Emergency Responders (AWR160-W)

**Advance Stroke Life Support (ASLS)** - About the Course: A hands-on, 8-hour simulation-based provider course on the management of the acute stroke patients that includes the MEND exam, an easy-to-learn and easy-to-use tool that enhances communication among EMS personnel, nurses, agencies and hospitals across the United States. [http://www.rwjuh.edu/rwjuh/events.aspx?taxonomy=Stroke-Center](http://www.rwjuh.edu/rwjuh/events.aspx?taxonomy=Stroke-Center)

**Stroke Rotational Lecture Series** - A 3-contact hour offering covering topics pertinent to the RN caring for the critically ill stroke patient population. *Topics covered to be announced* but may include: care of the aphasic patient, review of the NIHSS, review of the bedside Neuro exam, and management of increased intracranial pressure, etc.

**Stroke Nursing Symposium** - A 6-contact hour offering including expert speakers to cover topics on the care of the stroke patient across the continuum; from the field, through the hospital, to rehab!

**Stroke Certified Registered Nurse (SCRN) Review Course** - a 7-contact hour offering covering topics pertinent to the RN caring for the critically ill stroke patient population, which will prepare the RN to sit for the SCRN Exam.
